- Node.js
- GitHub
- Javascript
- Vite
- Responsible and Cross browser development
- Bootstrap
- NPM
- Axios
- State management
- HTML5
- CSS3

EXPERIENCE

STORE SUPERVISOR | 04/2021 to Current

Fishbowl Services Pty Ltd - **Sydney**

- Utilized Marketman software for inventory tracking and cost optimization.
- Streamlined supplier invoice management, improving efficiency, and reducing COGS.
- Handled customer inquiries and resolved escalated complaints to maintain high satisfaction levels.
- Assisted in the hiring and training of new staff members.
- Provided customer service to customers and resolved service-related issues.

DAILY NEST APP DEVELOPER | 09/2024 to 01/2025

Self Started Project

- Developed a task management app on a slightly smaller scale

to add or remove your tasks using React and hooks.
- Used React Bootstrap to make the application visually appealing.
- Integrated with the calendar to create a reminder for end users.
- Utilised RESTful APIs to handle CRUD operations for task and activity data.

QR'IFY | 07/2024 to 09/2024
Self Initiated Project

- I built a simple app using React to generate a QR code for users based on their prompts for a link, WiFi credentials.
- Followed a component-driven approach for handling repeated elements in the app.

TEMPWEATHER APP DEVELOPER | 06/2024 to 07/2024
Self Initiated

- Developed a weather app using React, Axios, and the OpenWeather API to provide real-time weather data.
- Implemented geolocation and city suggestion features for an enhanced user experience.
- Added search-bar for users to search for their desired location's weather and improve user experience.
- Designed a responsive UI with Bootstrap and CSS for cross-device compatibility.

STORE ASSOCIATE / CASHIER | 01/2022 to 05/2023
COLES EXPRESS - **SYDNEY**

- Assisted customers with purchases, ensured product availability, and maintained store organization.
- Handled cash transactions and resolved customer issues efficiently.

EDUCATION

Federation University of Austraila - **Sydney**
Bachelor of Information Technology
Information Technology, **03/2024**

National College of Computer Studies - **Kathmandu**

High School Diploma

Computer Science, Business Studies And Mathematics, **01/2019**
